custom design

Today's office environments require bold applications to efficiently intergrate employee and office space. **OUR** ability to custom design your office furniture to facilitate interaction between employees is second to none. At Maverick... **If you can draw it, We can make it!**

We use the GIZA/CAP system for allowing our partners to help you design your space and give us a solid blueprint for just how you want your space to look.

Utilizing the manufacturers listed we have access to thousands of laminate color combinations to meet any custom design.
